

Mr. Powell, My father was a Master Sargent, he was a man of principle, I feel that many military brats have a commom thread, so I am going to speak freely.Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation and smacks of power run a-muck.I hope you have the courage to stand up to this blatant illegal act by a corpoation to affect a national election, by useing public air waves to sway an election, with less than a month to go.Sinclair uses the air waves free of charge, and is obligated by law to serve the public intrest. This act by Sinclair has nothing to do with the "Public Intrest". Thank You, for your time and consideration, Mrs. Adena wheelles
